MC850 COMPACTOR

PARTS LIST

This parts list

Version: MC850.PL.1B
From chassis number: 21227001

Instructions for ordering spare parts

Illustrated parts are marked with part numbers.

To avoid errors, each part order must include the following information:

- Part number and description of part
- Quantity of parts required
- Chassis number

The chassis number is stamped into the model identification plate on the machine.
It is essential to quote this chassis number in full in all enquiries and spare part orders.

Chassis no.

Disclaimer

The original parts used on an Orkel® machine are designed and built to provide optimum fit, function, safety, and structural integrity. For this reason, Orkel® DOES NOT in any circumstance approve of the use of aftermarket, gray market, or imitation parts.

The information provided by Orkel® hereunder is provided “as is, where is” and with all faults, and the entire risk associated with such information is entirely with the Buyer.

Orkel® does not grant, explicitly or implicitly, to any party any patent rights, licenses, or any other IP rights, whether with regard to such information itself or anything described by such information.

Information provided in this document is proprietary to Orkel®, and Orkel® reserves the right, at its sole discretion, to make any changes or modification to the information in this document or to any products and services at any time without notice.

Orkel® does not assume responsibility for any damages associated with a machine and/or part failure caused by the use of parts other than genuine Orkel® replacement parts, neither do we assume responsibility for any changes to the product made after initial delivery.
